Education

- **B.Tech in Computer Science and Engineering (AI & ML)**
G H Rasoni College of Engineering and Management, Pune
2022 – 2026, Current CGPA: 8.56
Honors in Data Science (first year)
- **B.S in Data Science and Applications**
IIT Madras
2023 – 2027
Completed Foundation Level, currently in Diploma Level
Certificate: Foundational Level in Data Science and Applications from IIT Madras

Skills

Programming Languages: Python, C, C++, HTML, CSS, JavaScript

Frameworks: Flask, Jinja2

Other Skills: DBMS, System Commands, Brainstorming

Projects

- **NestFix**
Home service management project using Flask, Bootstrap, and Jinja2. Developed features for multi-user interaction with customized dashboards.
- **AI Powered Exam**
Python-based project focused on AI-driven assessment with advanced proctoring for automated candidate monitoring.

Profile

Motivated and innovative Computer Science and Data Science student, with a deep interest in AI, Machine Learning, and Data-Driven applications. Currently pursuing a dual-degree program at G H Rasoni College and IIT Madras. Skilled in building practical solutions, such as intelligent proctoring systems and service management applications, with a solid foundation in programming, database management, and project development. Actively exploring new technologies and collaborating on projects that contribute to academic and professional growth.
